Reading Comprehension #2:

Read the text. Answer the questions.

**Non-Fiction
Level K**

Martin Luther King Jr.

Martin Luther King Jr. was a great leader who wanted everyone to be treated fairly. He believed in peace and equality. He gave powerful speeches that inspired many people to work together for a better world.

He fought against unfair rules that kept some people from enjoying the same rights as others. He believed in using words, not violence, to make changes. His dream was for a future where everyone, no matter their skin color, could live in harmony.

Martin Luther King Jr.'s dream still inspires us today. We celebrate him on Martin Luther King Jr. Day. It's a time to remember his courage and kindness. We can all learn from him, working together to make the world a better, fairer place.

Question # 1: Knowledge (Recall)

Who was Martin Luther King Jr., and what were some of the things he believed in?

Question # 2: Comprehension (Understand)

How did Martin Luther King Jr. fight for equality, and what was his dream for the future?

Question # 3: Application (Apply)

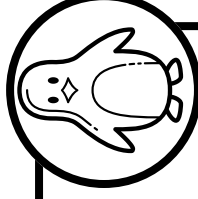

How can we celebrate and learn from Martin Luther King Jr.'s teachings in our own lives today?

Name: _____

Date: _____

Reading Comprehension #4: Read the text. Answer the questions.

Penguins in Winter

Penguins live in cold places like Antarctica and some islands. They waddle and swim in the chilly waters, their black and white feathers helping them stay warm and glide through the sea.

In winter, penguins gather in large groups called colonies. They huddle together for warmth and protection. Some penguins lay eggs during this time, carefully keeping them warm by taking turns in the center of the group.

Despite the freezing temperatures, penguins love the winter. They slide on their bellies, play in the snow, and enjoy the icy adventures of the season, showing how these incredible birds thrive in the cold.

Question # 1: Knowledge (Recall)

Where do penguins live, and how do their feathers help them in the chilly waters?  **Red**

Question # 2: Comprehension (Understand)

In winter, why do penguins gather in large groups called colonies, according to the text?  **Yellow**

Question # 3: Application (Apply)

If you were a penguin in winter, what activity mentioned in the text would you enjoy the most? Why?
